The Power of Giving Monthly

Convenient - Monthly giving creates flexibility for a variety of budgets, allowing you to give all year long the amount that makes sense for you and your family. It's fast, easy and manageable, meaning a hassle-free enjoyable experience for you!

Maximize your giving ability - Monthly giving allows you to give smaller, more manageable amounts each month, which can really add up. Just \$10 a month = \$120 a year and \$25 a month = \$300 a year. You set the amount that works best with your budget.

Community Impact - As a **GEM**, you become part of something greater than yourself and join a network of people who go beyond the call of duty. Your favorite causes will benefit. For many people, this is a simple, convenient way to build your Legacy over time.

Exciting - You will feel good every month, knowing that that the overall impact you will have in our community is growing, and you don't have to do a thing. Your donations will be withdrawn automatically from your account every month.
