

SCS Giving Tree Education Grants  
Grant Cycle, 2017

Applicant	School	Grade Level	Project	Amount Recommended
Jenisa Collier	BSE	K	Break Out – Breakout boxes to give students ownership of their learning also bringing out critical thinking, collaboration, creativity, and communication.	\$200.00
Savannah Hartsfield	BSE	K	Osmo Genius Kits – work with iPad to give students hands-on learning for math and reading skills. – The committee feels this is a worthwhile project.	\$199.98
Kathy Dye	BSE	4/5	Poetry Café – After school writing club to enhance writing and learn new skills. Students will examine rhythm, structure of poetry as well as poetic devices. They will create a notebook with their own poetry. At the end of the unit, they will have a poetry café set up as an open mic night. – The committee likes the concept of this, but does not want to open up to every organization to apply for a “pizza party” as this is not the intent of the Giving Tree Grants.	\$22.17
