Lives YOU have touched

You are helping to teach the next generation to give back.

The Washington County Youth Foundation is off to a great start, thanks to your help!

The Washington County Youth Foundation started in 2001. Since that time high school students from around the county have joined forces and worked together to make Washington County a better place.

Students seeking community service naturally gravitate to the Washington County Youth Foundation. This year's members have a lot of big plans for the 2019-2020 school year. Currently, they are planning the following activities:

1. Clean up day around the Community Learning Center
2. Support both Phase 1 and Phase 2 of the Happily Ever After Project, which promotes literacy
3. Offer a grant cycle to promote youth directed community service projects
4. Participate in the Christmas Assistance Program
5. Help with the Taste of Salem
6. Fundraise for the Happily Ever After Project
7. Bell ringing for the Salvation army
8. Volunteer at the Daddy/Daughter Dance
9. Volunteer at the elementary school carnival
10. Help at Choices
11. Volunteer at the Food Bank
12. Help with the after school STEM Club
13. Volunteer at Old Settlers Days

Because of the variety of service projects, there is truly some-

thing for everyone in the Youth Foundation. As in year's past, the Washington County Youth Foundation is fortunate to have young adults volunteer. Their ages range from 15-18, but they act far older than that. They understand the importance of their work and the mark they are leaving on Washington County.

Applications for the Washington County Youth Foundation are accepted every year between April 1st through April 15th. For more information, please contact the Washington County Community Foundation office at 812-883-7334. visit the website at www.wccf.biz, or email to info@wccf.biz.

The Dolly Parton Imagination Library . . .

What is it exactly? How does it work?

Because of generous donors like you,
young children have been receiving *free books in the mail!*

We all know how much young children love to get mail. Even junk mail! They love to open it. Imagine the magic that happens when a toddler receives her own mail, and it is a book just for her. That is how the Dolly Parton Imagination Library works.

Children under the age of five can register for this **FREE** program at:

First Harrison Bank (1312 South Jackson Street, Salem)

First Savings Bank (1336 South Jackson Street, Salem)

Tele-Media Solutions (105 East Railroad Street, Pekin)

Jason Wade– State Farm Insurance (1320 South Jackson Street, Salem)

Parents who work at the following locations can also register their children at the Human Resources office: Kimball, GKN, and Jean’s Extrusion.

Donors like you make this program possible.

For just \$26.00 you can sponsor a child for a whole year!

Please consider giving the gift of reading to the young children in our county. They need your help and generosity!

Currently, donors like you are supporting **over 1,000 kids who are receiving books each month and 593 who have graduated from this program.** That is a lot of books! Please sponsor a child today for \$26.00. You can change a life.

As we unwrap gifts and wrap up another year, this is the time when we think most of others. The familiar saying reminds us it is “better to give than to receive.” As the year winds to a close, take time to make sure you have given to yourself by giving to others.

The remaining weeks of the year give you a final opportunity to balance your income and giving for the tax year. When you give a gift to a qualified nonprofit organization, you receive an income tax deduction. Even if your income is less this year than it was last year, you may still want to offset it with a tax deductible contribution.

There’s no better way to give and receive than to make a gift that helps others at this time of year.

\$2 for \$1 Match for Unrestricted Funds Available!

Your gift can go a long way toward helping others. This holiday season, take a moment and consider the gifts you would like to make, then make them happen. Call us if we can be of help to you in your giving.

FOR GOOD.

FOR EVER.
