October 2021

Lives YOU Have Touched.

You are helping to beautify local parks.
You are giving local youth an opportunity to give back.

Thanks to you, the exercise park at the corner of Mill and Homer Streets in Salem has had a major facelift.

You stepped in to help beautify a local exercise park that was in tremendous need of a facelift!

It has been several years since the exercise park was installed. Over time, the mulch has worn down and the weed barrier was exposed to the elements. It definitely needed help.

Thanks to you, new weed barrier and seven tons of mulch was purchased. The only challenge was getting it installed.

This is where the Washington County Youth Foundation stepped in to volunteer on a Saturday morning. Working together, the members of the Youth Foundation put down new landscape barrier and mulch. Since the mulch is made out of recycled tires, it should last a very long time. Hopefully, this park will stay nice for many years to come!

Thank you for helping to make a little slice of Washington County better and teaching our youth the value of giving back.

Before: Exercise park BEFORE you stepped in to help.

During: Sidney Brown and Mollie Byrum put down weed barrier that you helped purchase.

Workers: Thanks to our Youth Foundation volunteers: Weston Smith, Co-President Mollie Byrum, Sidney Brown, Grant Mahuron, Jacob Rose, Wyatt Rainbolt, Lily Campbell, and Ellie Spaulding. Absent from photo: Co-President Erin Henry.

After: Thank you for helping to make the Exercise Park beautiful again!
