## You helped Kameron overcome his struggles.

**You changed Kameron's life.** As a teenager, Kameron felt lost and struggled with low self-esteem. To cope, he turned to unhealthy habits, hoping they would make him feel better, but they didn't.

**That's when you stepped in.** Your support gave Kameron the help he needed. Because of your generosity, Kameron found a caring community at the YMCA where he felt understood and supported. He started to believe in himself again and was able to share his struggles with others.

***“The YMCA is so thankful to the donors of the WCCF for providing the grant that made Kameron's story possible,” - Kristy Purlee, CEO of the Washington County Family YMCA.***

**Because of you,** Kameron didn't just overcome his challenges—he's now helping others, too. He encourages his friends to reach out for help, just like he did, and to learn from each other's experiences. You made Kameron's life is better.

“The YMCA is so thankful to the donors of the WCCF for providing the grant that made Kameron's story possible,” says Kristy Purlee, CEO of the Washington County Family YMCA.

Thank you for making such a big difference in the lives of young people in Washington County. Because of you, they have hope for a brighter future. Thank you for giving through the Washington County Community Foundation.

*\*To safeguard the identity of this teen, his name has been changed for the purpose of telling this story. Although the name “Kameron” is fictitious, this story is very real.*

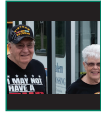

# Leave a Legacy. Future Generations Will Love You For It.

These wonderful people have left lasting legacies through the Washington County Community Foundation that will give back to our community forever. *You can too!*
