# THANK YOU FOR CREATING A LIFELONG LOVE OF READING!

## THANKS TO YOU, OVER 100,000 BOOKS HAVE BEEN GIVEN TO CHILDREN IN WASHINGTON COUNTY.

Emmitt Zweydorff has been signed up since birth for the Dolly Parton Imagination Library. Thanks to you, he will receive 60 books by the time he is five years old!

And, thanks to the generosity of donors like you, almost 3,000 children in Washington County have received free books, building a lifelong love of reading while creating amazing family bonding time.

Our community relies on wonderful donors like you to help us with these programs. Please consider sponsoring a child for one year. The cost of this is sixty cents per week.... Less than a cup of coffee or a trip to the soft drink machine.

However, this small gift can have a huge impact on the life of a child. Please visit (<https://www.wccf.biz/heap/ways-to-donate>) or scan the QR code to learn how you can get involved and give a child the gift of reading.

Dolly Parton said, “You can never get enough books into the hands of enough children,” and in Washington County, we couldn’t agree more. Because of the generosity of donors like you, children in Washington County hit a huge milestone – over 100,000 books have been given away to our youngest residents through the Dolly Parton Imagination Library.

The Dolly Parton Imagination Library launched in Washington County in October of 2015 as a component of the Washington County Youth Foundation’s Happily Ever After Project, designed to address the complex issue of early literacy. As Aaron Johnson, 2010-2011 Vice President of the Washington County Youth Foundation that implemented the program, puts it, “We can’t make a difference overnight, but we can make a difference over time. If we can get more of our third graders reading at grade level, then more of the youth in Washington County will grow up to ‘Live Happily Ever After’”.

“  
YOU CAN NEVER GET  
ENOUGH BOOKS INTO  
THE HANDS OF  
ENOUGH CHILDREN”

# G.E.M.

# GIVING. EVERY. MONTH.

## BECOME A GEM AND SEE THE POWER OF MONTHLY GIVING

You can become a GEM (Give Every Month) by having your donations automatically withdrawn from your account each month, or, depending where you work, you can sign up for payroll deduction! Donating a lump sum at once can be difficult, but by becoming a GEM you can make a monthly giving contribution that fits your budget and adds up to make a large impact in our community.

We are so very grateful to our monthly donors! Thank you!

### Convenient

Monthly giving creates flexibility for a variety of budgets, allowing you to give the amount all year long that makes sense for you and your family. It's fast, easy and manageable—meaning a hassle-free enjoyable experience for you!

### Community Impact

Community Impact - As a GEM, you become part of something greater than yourself and join a network of people who go beyond the call of duty. Your favorite causes will benefit. For many people, this is a simple, convenient way to build your Legacy over time.

### Exciting

You feel good every month, knowing that the overall impact you have in our community is growing, and you don't have to do a thing. Your donations will be withdrawn automatically from your account every month.

### Maximize your giving ability

Monthly giving allows you to give smaller, more manageable amounts each month, which can really add up.

**Just \$10 a month = \$120 a year  
and \$25 a month = \$300 a year.**

You set the amount that works best with your budget. Set it and forget it!

Dear Friends,

Every journey begins with a single step. Here in Washington County, each gift and every act of kindness has brought us closer to a community where everyone feels at home. As we look back at this year, we are filled with gratitude for your generosity that has guided us forward, each contribution like a compass pointing toward a brighter tomorrow.

Throughout this report, you'll see how your support has helped neighbors in need, inspired students to dream bigger, and created spaces where the arts, education, and opportunity can thrive. You are strengthening the roots of our community, making it a place where families grow, and memories are made.

Thank you for all you have done to keep our community strong. Because of you, Washington County is able to meet the challenges ahead with hope and confidence. As we journey into the future, your commitment and caring spirit will ensure that Washington County remains a place we can all proudly call home.

With heartfelt gratitude and optimism,

Board President  
Mike Motsinger

Executive Director  
Judy Johnson

### MAKE A GIFT LATER... IT COSTS YOU NOTHING NOW

It can be very easy to give back to our community through the Foundation with a gift in your Will or estate plan. If it is time for you to update your Will, be sure to let your professional advisor know that you want to leave a gift to our Foundation.

### MAKE A GIFT NOW AND GET LIFETIME INCOME

It sounds too good to be true, but it isn't. Charitable Gift Annuities and Charitable Remainder Trusts will help you with:

- Favorable rates of return
- Charitable tax deduction
- Avoid Capital Gains tax
- Enjoy income for life
- Give back to our community and/or support your favorite charity, forever

### IF YOU WANT THE BEST OF THESE

Consider setting up a charitable trust or charitable gift annuity for your heirs with your retirement assets. We can work with you and your professional advisor to set up a charitable trust or annuity that will be funded in the future with your retirement assets. Then the trust or annuity will pay out to your heirs for a term of years or for the rest of their lives. The remainder will come to us to support your favorite causes.

### IF YOU WANT TO MAKE A GIFT THAT IS FLEXIBLE AND EASY TO REVISE

Consider making our Foundation a beneficiary of your retirement plan (IRA), life insurance policy, checking or savings account. You can easily revise the Beneficiary Designation Form and leave a percentage to help future generations in Washington County.

# 10 Reasons Why People Create an Endowment with the Washington County Community Foundation:

Ralph and Faye were Washington County residents their entire lives. Ralph was born on a farm in South Boston and Faye was from the Pekin area. They led a quiet, conservative life, but they had many interests. They were active in their church and very interested in the history of Washington County. Faye passed away June 1, 1992, and Ralph passed away September 15, 1993.

Today, and forever in Washington County, many organizations and individuals will benefit because Ralph and Faye cared enough about our community to give back to the county.

The Ralph and Faye Motsinger Mahuron Fund was established with the Washington County Community Foundation in late 1995 with an initial donation of **\$420,000**. After 29 years, their fund has granted over **\$644,000** and has a value of **\$880,000**. That is the Power of Endowment!
